## What a **BLAST!**

The excitement of a balloon-popping contest with a safe, authentic-looking blasting detonator straight from the Saturday cartoons. Great for any age! Two or more contestants frantically pump, inflating their balloons until they reach the Balloon Bursting Arcs. First to burst – **BOOM!** – is the winner!

Boom Blaster is highly portable, built to last, and sets up in seconds. A pair of units rents for \$75 - \$175+/day.
